

# Street spirit – Radiohead

AM

Rows of houses all bearing down on me  
I can feel their blue hands touching me

EM

All these things into positions

AM

All these things will one day take control

C EM AM C EM

And fade out again and fade out

AM

This machine will, will not communicate  
These thoughts and the strain I am under

EM

AM

Be a world child form a circle before we all go under

C EM AM C EM

And fade out again and fade out

AM

Cracked eggs dead birds. Scream as they fight for life  
I can feel death, can see it's beady eyes

EM

All these things into position

AM

All these things will one day swallow whole

C EM AM C EM AM

And fade out again and fade out again
